A USEFUL ORDER FOR YOUR MOVE

Start here

Begin with the exact property address. A postal city name does not prove municipal boundaries, a utility service area or a school assignment. Confirm each separately before arranging service.

Update mail, insurance and records.
Check DMV and voting deadlines early.

Underlined links are clickable. The source directory on pages 16-18 gives official web addresses for use from a printed copy. Page 18 has QR links to selected resources. Information checked October 11-12, 2026.

Planning reference. Confirm current hours, fees, eligibility and requirements directly. Inclusion does not imply affiliation, endorsement or agent service coverage.

LEARN THE PLACES YOU WILL USE FIRST

Getting oriented

Buckhannon is the Upshur County seat. This guide also covers surrounding county communities, including French Creek, Rock Cave, Hodgesville, Adrian, Tallmansville and Tennerton. These places are not all inside Buckhannon city limits. A Buckhannon mailing address does not establish municipal jurisdiction, a utility provider or a school assignment. [1]

Confirm the physical address and parcel before arranging services. Use these stops to learn where everyday resources are, then test your own work, school, shopping and medical trips. This is an orientation list, not a timed route or a neighborhood ranking. [1]

A self guided orientation drive

Use these stops as pins in your navigation app. Choose your own order, check current opening hours and park legally. This is an orientation list, not a timed route.

Stop	Why it is useful
Buckhannon City Hall 70 East Main Street	Confirm city boundaries, municipal services and permit contacts. [1]
Upshur County Courthouse 40 West Main Street	Find the county clerk; assessor is next door at 38 West Main Street, Room 102. [5]
West Virginia Wesleyan College 59 College Avenue	Arrange a campus introduction; confirm the specific building and visitor parking. [8]
Upshur County Public Library 1150 Route 20 South Road	Ask about cards, programs and local resources. [10]
Riverwalk Park 54 Camden Avenue	Explore public trail access and distinguish adjoining college sports facilities. [11]
Upshur County Visitors Bureau 14 East Main Street	Pick up current maps and shopping, dining and event information. [12]

Compare the actual address

Ask about road and driveway maintenance, delivery access, indoor cellular reception and the trips you make most often. Check current city and facility notices before visiting; an older recovery notice does not establish a continuing closure. [1]

Sources [1, 8-12, 14]. Descriptions identify useful places; they are not neighborhood rankings or recommendations based on who lives there.

CONFIRM EVERY SERVICE BY STREET ADDRESS

Utilities and home services

Confirm each provider using the exact physical address and unit. City limits, postal names and utility boundaries differ. Buckhannon water also supplies wholesale customers, so the city may not be your retail billing office. Verify activation dates, account responsibility, meter access, deposits and any inspection or construction requirement before move-in. [2]

Service	Where to start	What to confirm
Water	City: 304-472-1430; Adrian PSD: 304-924-6107; Elkins Road PSD: 304-472-3008; Hodgesville PSD: 304-472-1904	Ask which entity bills this address. These are starting points, not a countywide territory map. [2]
Sewer	City Utility Boards: 304-472-1430; Tennerton PSD: 304-472-7685	Verify the actual connection and separate account. Tennerton PSD is a sewer provider. Public water does not prove public sewer service. [2]
Electricity	Mon Power: 800-686-0022	Confirm the service address and existing-meter versus new-construction process. Outages: 888-544-4877. [3]
Natural gas	Mountaineer Gas: 800-834-2070	Verified Buckhannon starting point. Check the property's actual supplier, fuel type, availability and turn-on appointment. Gas is not available at every county address. [1,3]
Trash / recycling	City billing: 304-472-1430; waste: 304-472-4443	Verify collection eligibility, route and current rules. Mudlick Recycling Center: 443 Mudlick Road. Confirm materials, fees and hours before travel. [4]
Internet	Optimum Buckhannon and Frontier official address checks	Check the complete address and unit, technology, upload speed, installation and terms. Town listings do not guarantee service to a particular house. [3]

For private wells or septic systems, start with the Upshur-Buckhannon Health Department, 304-472-2810, for environmental-health questions. Obtain property-specific inspection and maintenance information. A provider payment portal does not establish a new service account. [2,9]

Water / sewer provider and confirmed start date

Sources [2-4]. Provider names are starting points, not universal coverage promises. Confirm deposits, start dates and current terms directly.

START EARLY SO DEADLINES DO NOT SURPRISE YOU

Your address and paperwork

Driver licensing and vehicles

For people establishing West Virginia residency, DMV generally requires a WV driver's license application and vehicle title **and** registration within **30 days**. Licensing and vehicle paperwork are separate. Use DMV's current identity, residency, insurance and vehicle document lists; requirements depend on your situation. [6]

WV safety inspections operate on a **24-month** cycle. DMV says a new resident generally has 10 days after titling to obtain an inspection, with an exception for certain valid, unexpired out-of-state stickers. Confirm your actual sticker with DMV or WV State Police before relying on reciprocity. Existing WV drivers should report an address change within 20 days. [6]

WV DMV | 304-558-3900

Use the official office locator to choose a regional office and check appointments, hours and services before traveling. [6]

Voting and mail

Check voter-registration eligibility and the next election's deadline as soon as you move. Update your residential address through the WV Secretary of State or the county clerk, then confirm your polling place after processing. Moving inside one county does not necessarily keep the same precinct. [5-6]

Submit mail forwarding through the official USPS change-of-address service or a Post Office. Also update employers, banks, insurers, subscriptions, delivery accounts and government agencies individually. Forwarding is not an update to every record. [6]

Property records and local requirements

Before building or changing a property

Inside city limits, call Buckhannon at 304-472-1651. For unincorporated development, contact county Addressing/Mapping, Building Permit and Floodplain staff: 38 West Main Street, Room 303; 304-472-1673. Confirm current permits and floodplain requirements before work. [5]

Assessment and records

Assessor: 38 West Main Street, Room 102; 304-472-4650. County Clerk: 40 West Main Street, Room 101; 304-472-1068. The general individual personal-property return period is July 1-October 1, based on property held July 1. Ask the assessor how your first filing applies. Assessment, recording and tax payment are separate steps. [5]

Sources [5-6]. General agency guidance, not individualized legal or tax advice. Confirm the requirements that apply to your household.

CONFIRM ENROLLMENT FOR THE EXACT HOME ADDRESS

Schools and childcare

Start with Upshur County Schools. Give the district the full residential address and student's grade to confirm assignment and transportation. A nearby school or a Buckhannon mailing address does not establish an attendance boundary. [7]

Upshur County Schools
102 Smithfield Street, Buckhannon, WV 26201
304-472-5480 | upshurschools.com [7]

Questions for the registrar

- Which school serves this exact address, and who can confirm the assignment in writing? A listing, ZIP code or online map is not an enrollment decision.
- Which identity, residence, prior-school and health records are required? Ask what can be submitted before arrival and how records should be transferred.
- How do we arrange learning supports, accessibility accommodations or English learner services when needed?
- What are the current calendar, bus stop or transportation arrangements, meal procedures and family-notification options?

Plan the enrollment conversation

Ask for the current document checklist, records-transfer process, preschool timelines and any special-service contacts. Check current-year bus information and transfer procedures directly with the district. Do not rely on a saved prior-year route or an assumed placement. [7]

Childcare and preschool

Ask providers directly about age groups, openings, waitlists, hours, transportation and fees. Confirm school-break, holiday and weather-closure plans. West Virginia's official child-care resource pages can help locate referral and assistance information; eligibility and availability must be checked directly. [7]

Choose schools and childcare using your household's needs and verified address-specific information. This guide does not rank schools or guarantee enrollment, transport or program availability.

Source [7]. Do not share children's private records through unverified links; use the school or provider's approved process.

LEARNING AND COMMUNITY CONNECTIONS

West Virginia Wesleyan College

Campus and visiting

West Virginia Wesleyan College is at 59 College Avenue, Buckhannon; main number 304-473-8000. Explore current undergraduate and graduate programs through the college. Admissions, 304-473-8510, offers weekday visits while college is in session and encourages five business days' notice. Its visit page links a campus map and virtual tour. Ask your host for the actual building, accessible entrance and parking. [8]

Arts and cultural events

The college's news and Theatre and Dance pages are practical starting points for performances. Confirm public admission, tickets and venue for each event. Programs may use campus spaces or downtown venues such as the Colonial Arts Center. A public performance listing does not create unrestricted building or classroom access. [8,12]

Bobcat athletics

Use the official Wesleyan Bobcats schedules and facility directory for each sport. Cebe Ross Field and the Rockefeller Center are different venues. Check current ticketing and spectator instructions; the campus address is not a universal event entrance, and athletic facilities have separate access rules. [8]

Community connections

The Center for Community Engagement and Leadership Development connects student service with civic and nonprofit partners. Call 304-473-8165 or email wwcservice@wwwc.edu to ask about partnerships or student placements. Contact the center before approaching its listed partners. Student service programs have eligibility and commitments; they are not general public memberships. [8]

Library, camps and arranged events

Annie Merner Pfeiffer Library, 304-473-8013, publishes community-use and borrowing rules. Confirm hours, card requirements and any fee; college users have priority for some resources, and remote electronic access is restricted. Conferences, events and camps staff, 304-473-8431, can explain arranged programs, booking, age limits and costs. Listings do not promise drop-in access to residence halls or recreation facilities. [8,10]

Sources [8, 10, 15]. Check visitor access, registration, eligibility, fees and current calendars directly. Public access is not assumed for every facility.

KEEP IMPORTANT NUMBERS EASY TO FIND

Healthcare and emergencies

For an emergency, call 911.

For a possible poisoning, call Poison Help at **1-800-222-1222**. [9, 15]

Provider or resource	Location and contact	Use as a starting point
St. Joseph's Hospital	1 Amalia Drive, Buckhannon 304-473-2000	Local hospital with emergency department. Routine outpatient care requires the appropriate clinic and appointment arrangements. [9]
Upshur-Buckhannon Health Department	15 North Locust Street, Buckhannon 304-472-2810	Public-health and environmental-health starting point. Confirm current services and appointments; it is not an emergency department. [9]
Upshur County DoHS Office	34 Auction Lane, Buckhannon 304-473-4230	Public-benefit program questions. Eligibility and required documents vary by program. [9]

Set up routine care

Check insurance participation, prescription transfers, new-patient availability and the specific clinic location before scheduling. A hospital listing does not guarantee every specialty or appointment type.

Set up ongoing care in the first week

- ☐ Check your health plan's current network and accepting-patient directory before choosing care. Confirm accessibility, hours and transportation.
- ☐ Arrange primary care, dental and any specialist appointments you need. Ask how medical records and prescription transfers should be handled.
- ☐ Select a pharmacy before existing supplies run low. Keep an accessible medication list, allergy list and emergency contacts.

For a suspected gas leak or dangerous utility situation, leave the area and call 911 from safety. Then contact the provider's emergency line; routine billing numbers are not emergency dispatch. [3]

Sources [3, 9, 15]. Provider listings are informational, not a clinical recommendation or a guarantee of insurance participation.

EASY WAYS TO GET TO KNOW THE COMMUNITY

Parks and the library

City parks and the river

Buckhannon City Park is at 22 Park Street; Elizabeth J. "Binky" Poundstone Riverwalk Park is at 54 Camden Avenue. North Buckhannon Riverfront Park is at 22 Sixth Street, and the dog park is at 20 Randolph Street. Ask City Hall, 304-472-1651, about pavilion reservations and current rules. The Riverwalk's public facilities adjoin Wesleyan-owned sports fields, which have separate access rules. [11]

County recreation and trails

Upshur County Recreational Park offers a seasonal pool, courts, pavilions and trails. The official tourism listing gives 304-472-0535 for inquiries. Confirm pool seasons, facility access and reservation arrangements before planning a gathering. [11]

French Creek wildlife outing

The West Virginia Wildlife Center near French Creek is in Upshur County and reached via WV 20. Start with DNR's current directions, hours and admission information; 304-924-6211. Confirm current access and seasonal details rather than relying on an older itinerary. [11]

Library services

Two Buckhannon libraries

Upshur County Public Library: 1150 Route 20 South Road, 304-473-4219. Charles W. Gibson Public Library: 105 East Main Street, 304-472-2339. Ask about current cards, digital services, programs and hours. [10]

A rural library and park

James W. Curry Library and Park serves the Brooks Hill/Selbyville area at 1721 Brooks Hill Road, French Creek, WV 26218; 304-924-6724. Confirm library, campground and event arrangements separately. [10,11]

Check seasonal hours, weather notices, facility access, reservations and fees before traveling. For trails or water activities, choose a route suited to your group and follow the land manager's current rules.

Sources [10-11]. Parks and libraries outside the guide's county are explicitly labeled.

BUILD THE ROUTINES THAT MATTER TO YOU

Everyday errands and outings

Learn your everyday shopping trips

The Upshur County Visitors Bureau, 14 East Main Street, 304-473-1400, maintains current shopping and dining directories. Use downtown as an orientation stop, then test trips to the grocery, pharmacy and household stores you actually need from your prospective address. Tourism listings are examples, not a complete inventory of everyday services. Confirm hours and accessibility directly. [12]

A few local dining starting points

Place	Location or official starting point
Fish Hawk Acres	5 West Main Street, Buckhannon [12]
C.J. Maggie's	16 East Main Street, Buckhannon [12]
Stone Tower Brews	5 East Main Street, Buckhannon [12]

Examples, not a ranking. Check current hours, menus, reservations and dietary needs directly. Tourism directories are a starting point, not a guarantee a business is open today. [12]

Downtown culture

The Colonial Arts Center is a city cultural starting point. Review its current program and confirm the venue, ticket arrangements and accessible entrance for each event. College-sponsored activities sometimes take place downtown, so check both city and college calendars. [8,12]

Explore beyond the city

Pair a French Creek Wildlife Center visit with a check of county library or park programs. Allow time for the actual route and current road conditions. County communities and rural destinations have different distances and schedules; plan each trip separately. [10,11]

Sources [11-12]. Confirm the actual destination address; postal city names and tourism regions do not establish municipal boundaries.

USE CURRENT CALENDARS AND TRIP DETAILS

Events and getting around

Recurring traditions

The West Virginia Strawberry Festival is a spring tradition. Almost Heaven BBQ Bash is a June tradition, and seasonal Festival Fridays use Jawbone Park. Check the city and Visitors Bureau calendars for the next confirmed dates, vendors, street changes and weather decisions. A previous year's listing does not establish the next event date. [13]

Smaller community programs

Library, park and college calendars offer additional ways to get involved. Verify registration, age limits, admission and venue directly with the organizer before making plans. [8,10,13]

Transit and county trips

Country Roads Transit serves Upshur and Randolph counties: 304-636-6472 or 877-636-6472. Ask about the Buckhannon Loop and Upshur demand-response service using the exact pickup and destination addresses. Confirm current fares, service days, accessibility, capacity and advance-booking requirements. Use the operator's current schedule. County service does not promise pickup at any hour. [14]

Airports are different facilities

Upshur County Regional Airport, W22, is a general-aviation airport off Brushy Fork Road; 304-472-9437. For scheduled passenger travel, check the actual airline itinerary. North Central West Virginia Airport, CKB, is outside Upshur in Bridgeport, Harrison County: 1100 CKB Boulevard, Bridgeport, WV 26330; 304-842-3400. Verify current airline service, terminal instructions, parking and ground transportation. [14]

Road orientation

US 33 connects Buckhannon toward I-79; WV 20 is another local orientation corridor. Test the complete trip from the property, including driveway access and parking, without assuming a fixed commute time. [8]

Test your own daily trip

Try work, school and errand journeys at the times you expect to travel. Check walking routes, terrain, parking, transit stops and return trips for the actual address. Arrange airport ground transportation in advance rather than assuming on-demand availability.

Sources [13-14]. Event dates, flight routes, fares and service schedules can change; this guide points to the current official listings.

A FEW PREPARATIONS THAT MATTER

Your home in every season

At the property

- Locate the water shutoff, electrical panel, heating equipment and any sump pump. Ask how they work and keep manuals together.
- Review the lease, HOA documents and warranties. Confirm responsibility for snow, lawn care, filters, trash containers and maintenance calls.
- Ask your insurer about coverage for the new address and flood protection. Most homeowners and renters policies do not cover flood damage. Review the property in FEMA's Flood Map Service Center, and ask about the property's history rather than treating a map as a guarantee. [16]

Weather and outages

- Use National Weather Service Charleston (RLX) and search the exact destination for current forecasts and alerts. A saved homepage banner or this guide is not a live forecast. [15]
- Before freezing weather, identify exposed plumbing, arrange heating service and keep traction material ready. Check drainage and keep steps and walking routes clear.
- Keep flashlights, batteries, charging banks, water, shelf-stable food and essential supplies available. Plan ahead if someone depends on electrically powered medical equipment.
- Use a portable generator only outdoors, more than 20 feet from the home, doors, windows and vents. Never run one in a home, basement or garage. Install and check carbon monoxide alarms. [15]

Fire prevention and outdoor projects

Test smoke alarms when you move in. U.S. Fire Administration guidance recommends alarms in every bedroom, outside sleeping areas and on every level. Plan two ways out and an outside meeting place. [15]

Before digging for a fence, mailbox or landscaping, contact WV 811 and follow its marking and waiting instructions. Confirm city, county, floodplain and any HOA permissions before beginning work. [5, 16]

Moving with pets Update identification and microchip contacts, transfer veterinary records and choose a local veterinary practice. Confirm current county licensing and vaccination requirements. Secure pets while movers have doors open.

Sources [5, 15-16]. General preparation suggestions do not replace a property inspection, contractor assessment or insurance determination.

PRINT THIS PAGE AND CHECK ITEMS AS YOU GO

Before moving and move day

Two to four weeks before arrival

- ☐ Confirm possession or lease start, key handoff, parking and moving-truck restrictions. Measure doorways and large furniture.
- ☐ Verify utility providers for the exact address. Schedule start dates and internet installation; ask about deposits, equipment and access.
- ☐ Arrange movers or a rental truck. Save the written estimate, inventory, insurance information and delivery window.
- ☐ Transfer school, healthcare and veterinary records. Plan prescriptions and appointments early enough for the move.
- ☐ Set USPS forwarding and update employers, banks, insurers, subscriptions and regular delivery services directly.
- ☐ Sort items movers will not carry. Plan separate transport for documents, medications, valuables and first-night supplies.

The day you receive the keys

- ☐ Photograph the home's condition and accessible meter readings. Note agreed repairs and contact the responsible person promptly.
- ☐ Confirm water, power, heating or cooling, refrigeration and internet service. Locate shutoffs and test smoke and carbon monoxide alarms.
- ☐ For a purchased home, arrange rekeying and reset garage or entry codes. Renters should coordinate access changes with the landlord.
- ☐ Check deliveries against the mover's inventory before signing. Note damage or missing items and keep copies.
- ☐ Keep tools, toiletries, bedding, chargers, cleaning supplies, paper goods, food and medications easy to reach.
- ☐ Make the address visible, save emergency contacts and keep exits clear of boxes.

A simple first-night box Pack what you need to sleep, shower, eat a quick meal and get ready the next morning. Keep it with you so a delayed truck does not hold it up.

TURN THE MOVE INTO A WORKING ROUTINE

Your first 30 days

The first week

- ☐ Check the next election cutoff and update voter registration. Confirm your residential address and polling place. [5-6]
- ☐ Confirm trash pickup, any recycling arrangements and container rules for your address.
- ☐ Complete school enrollment, transportation planning and childcare start arrangements.
- ☐ Confirm medical appointments, insurance networks, a pharmacy and prescription transfers.
- ☐ Visit a library, try your actual commute and save the current airport or transit information you use.
- ☐ Verify forwarding and update important accounts individually.

Before the first month ends

- ☐ Complete applicable WV driver's license and vehicle title and registration steps. Start early; the general new-resident timing is 30 days. [6]
- ☐ Confirm property records, personal-property filing requirements and the county tax mailing address. [5]
- ☐ Review first utility bills and any move-in repairs. Save warranties and service contacts.
- ☐ Check a library calendar, arrange a Wesleyan visit or event, and test your actual county transit or driving route before relying on it.
